Master Class and Book Signing

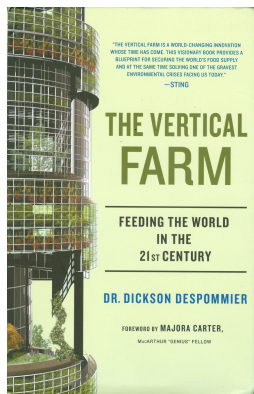

with renowned author and retired Columbia professor

**Dr. Dickson
Despommier**

Dr. Despommier spent 38 years as a professor of microbiology and public health in environmental health sciences at Columbia, where he won the Best Teacher award six times. He has addressed audiences at leading universities, including Harvard and MIT and has been invited to speak at the United nations. He also has served as a consultant to the governments of China, India, Mexico, Jordan, Brazil, Canada, and Korea on environmental problems.

We are delighted to host Dickson for our December NYC|SBA Project program and hope you will take advantage of the opportunity to hear his wisdom on solving our food, water, and energy crises!
